

APPLY NOW HEALTHY SOILS PROGRAM

Second Solicitation for Grant Proposals

The CDFA has opened a 2nd round for the Healthy Soils Program Grant Application. Grant proposals are **due April 13th**, and are **first come, first serve!** Cover crops, compost, hedgerows, riparian buffers, etc. are just some of the practices that are funded under this program. Farmers can apply for up to \$50,000 and there is no income limit. If you are thinking of applying, do so **now!** The Colusa County RCD will be offering **one on one technical assistance** through the application period and has many resources to help farmers and ranchers get through the application process. For more information, contact them today!
